LETTER OF CORRECTION

The following printing errors were noted in comparing the printed patent with the papers in the attorneys' files:

In the Specification:

Column 3, line 25, "automatically closed" should read --automatically closing--.

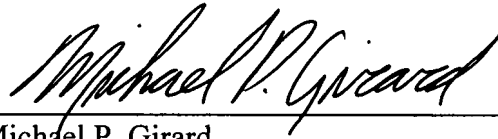

Column 9, line 65, "wherein the piston is movable" should read --the piston is movable--.

All of the above errors are not considered to be of major significance. Applicant requests that this document be included in the file wrapper of the subject patent to make formal notice of the errors.

Respectfully submitted,
